

Popsicle

MATERIAL:

print out the cone pattern
(use strong paper)

a variety of crayons

scissors and cutter

small glue stick and liquid glue

several popsicle sticks

1. To download the pattern, visit our painting & puzzles website and print onto the paper. goetz-puppen.de/de/malen-und-raetseln.html
2. Color your pattern.
3. Cut along the continuous lines and bend along dashed lines.
4. The lower line carefully cut with the cutter **(please let your mum, dad or grandparents help)**
5. The large part coat with glue on the edges.
6. Now glue the wooden stick onto the lower edge – finished!
