Create YOUR OWN Outfit

- 1.** *You need:*
- textile paint
 - a sponge
 - a printout of your preferred motive
 - scissors
 - a brush
 - a smock
 - a piece of clothing from you or your doll

- 2.** *Cut out & colour*
- Wear your smock and cut out your printed motive carefully with your scissors. If you need help surely someone will be happy to give you a hand. Add the paint onto your sponge and dab it carefully. **Little hint:** fix your printout with a glass so it cannot slip.

- 3.** *Last step*
- Take off the printed template when you are happy with the result or take your brush and improve your design carefully. Let it dry and be proud of your very own design piece.

We would love to see your very own mini me creation on Instagram!
